FACULTY OF HUMANITIES

IMPLEMENTATING REGULATIONS FOR ADMINISTRATIVE BODIES OF STUDY PROGRAMMES

Contents

1   General
Article 1.1: Introduction
1.   This regulation implements article 21 paragraph 2 of the faculty regulations.
2.   In the event of changes made to the faculty regulations that affect the content of these regulations, the Faculty Board will approve the changes to these regulations no later than six months after the faculty regulations have been adopted by the Executive Board. Until the official moment of amendment, the regulations will continue to apply as if the faculty regulations are still unchanged.

Article 1.2: Commencement and publication of regulations
These regulations come into effect on September 1st, 2012. Subsequent changes to the regulations will take effect on the first day of the first month after their implementation. The Faculty Board is to publish these regulations on the faculty website.

Article 1.3: Membership of Programme Boards, Boards of Admissions, Boards of Examiners and Programme Committees and the Academic Coordinator of a minor or other study components
1.   The Faculty Board appoints members of Programme Boards, Boards of Admissions, Boards of Examiners and Programme Committees as well as academic coordinators of a minor or other study components in accordance with the following procedure.
2.   The membership of a programme board or an admissions or programme committee, or as an academic coordinator of a minor or other educational unit, comes to an end through:
     a.   the voluntarily resignation of a member. The member concerned must submit a motivated request to the Faculty Board, and this request must be officially approved by said Faculty Board;
     b.   the termination by the Faculty Board of a members administrative position. The Faculty Board informs said member of their removal from the position;
     c.   losing the qualifications required by the faculty regulations and these implementing regulations for the administrative function that the member holds.

     For student members of program committees, nominated through elections, section (b) of article 1.3 does not apply.

3.   The special position of the Board of Examiners requires that it can function independently. The membership of an Board of Examiners member will come to an end through;
     a.   the voluntarily resignation of a member. The member concerned must submit a motivated request to the Faculty Board, and this request must be officially approved by said Faculty Board;
     b.   if a member acts against the statutory duties and responsibilities of the Board of Examiners. The Faculty Board can then relieve said member of their duties, whether or not accompanied by an immediate suspension.
     c.   losing the qualifications required by the faculty regulations and these implementing regulations for the administrative function that the member holds.

Article 1.4: Terms of Appointment
1.   The terms of appointment for program boards and for Programme Boards, Boards of Admissions, Board of Examiners and Programme Committees and for academic coordinators of a minor or other study component, will always take effect on September 1st and end on August 31st for staff members and external members. For student members the term starts on October 15th and ends on October 14th. In principle, staff members are appointed for the duration of three (3) years and student members for the duration of one (1) year.
2.   In the case of an interim vacancy of a seat in a program board or on a Programme Boards, Board of Examiners and Programme Committees or vacancy of the academic

coordinator of a minor or other study component, the Faculty Board appoints a successor for the remainder of the current term of appointment. Possible interim mutations take place as much as possible on September 1st (staff members and external members) or on October 15th (student members) of any calendar year.

Article 1.5: Official Title
This regulation is titled *Implementing for administrative Bodies of Study Programmes.*

2 Programme Boards
1. In accordance with article 23 paragraph 1 of the [faculty regulations](#), the Faculty Board appoints a programme board for separate programs or groups of programs. The table in appendix 1 of this regulation provides an overview of the program boards in the faculty, their size and the various programmes for which these boards are responsible.

3 Board of Admissions
Article 3.1: Establishment of Board of Admissions – BA programmes.
In accordance with article 27 paragraph 1 of the [faculty regulations](#), the Faculty Board appoints an Board of Admissions for each BA programme or group of BA programmes. The Faculty Board has delegated this task to the Central Admissions Office (SOZ).

Article 3.2: Establishment of Board of Admissions – MA Programmes
In accordance with article 28 paragraph 1 of the [faculty regulations](#), the Faculty Board appoints an Board of Admissions for each MA programme or group of MA programmes. The table in appendix 2 under A. of these regulations provides an overview of admission committees for MA programs in the faculty, their size and the various programmes for which these boards are responsible.

Article 3.3 Special mandate of the chairman of an admission committee
For non-complex admission requests, the Faculty Board grants the chair of an Board of Examiners the right to make an independent decision on the matter; in the event of absence of the chair, the chairman of the committee can pass this authority on to another members of their committee.

4 Programme committees

1. In accordance with article 29 paragraph 1 of the [faculty regulations](#), the Faculty Board sets up a programme committee for each study program, minor and other study components or group of study programs. The table in appendix 3 of this regulation gives an overview of the programme committees in the faculty, their size and the various programmes for which these committees are responsible.
2. Within two weeks after the internal appointment of chair and secretary, the names of the chairman and secretary, who are elected by the members of the programme committee, are to be forwarded to the Administrative Support Department (Bestuurlijke_benoemingen@hum.leidenuniv.nl).
3. In accordance with article 29 paragraph 3 of the [faculty regulations](#), student members of the programme committee are elected by and from the students of the programme(s), minor(s) and other academic unit(s) concerned. The student members of the programme committee are, as much as possible, a reflection of the students that follow the programme(s) in the academic year concerned. Prior to the student member elections, the programme board will state how the division of the available student seats will give this reflection. If there are as many candidates as available seats, all candidates will be appointed, regardless of their programme, minor or other academic unit.

5   Board of Examiners

1. In accordance with Article 30, paragraph 1 of the [faculty regulations](), the Faculty Board appoints a Board of Examiners for each study program, minor or other study component and/or group of study programs. The table in appendix 4 of this regulation provides an overview of Board of Examiners in the faculty, their size and the various programmes for which these committees are responsible.
2. In principle no staff members with a temporary contract can be appointed in the Board of Examiners.
3. If a Board of Examiners represents more than one programme, it is desirable that from each programme a lecturer is represented in the Board of Examiners.

6   Academic coordination minor and other study components
In accordance with article 25 paragraph 1 of the faculty regulations, the Faculty Board appoints an academic coordinator for each minor and other study component or group of minors and other educational components. The table in appendix 5 of this regulation gives an overview of the minors and other study components for which an academic coordinator has been appointed.

Established by the Faculty Board
